Vagabond 6.2

A 'vagabond' is a drifter or a wanderer who roams wherever they please, following the whim of the moment. It has one of the smoothest rides in the fleet, but more importantly, the hull knows exactly what to do with every horse power fitted to it (up to 225hp). You will find yourself accelerating over the chop because the hull just smooths it out.

STANDARD FEATURES

- Cabin shelves – upholstered
- Dash handle
